JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

Smallpox in Washington, D. C.

WASHINGTON, D. C., *December 9, 1899.*

SIR: I have the honor to report the occurrence of 2 additional cases of smallpox in this District. There are, therefore, 7 cases of that disease, all confined in the hospital.

Respectfully,

H. C. McLEAN,
Acting Health Officer.

REPORTS FROM THE MEXICAN BORDER.

El Paso, Tex., December 2, 1899.—I have the honor to report the following general work for the week ended December 2, 1899: Inspection Mexican Central Railway passengers, 126; inspection of immigrants, 17; inspection at international bridge for successful vaccination, 332; vaccinated children of immigrants and other destitutes, 27; disinfected baggage of immigrants, 120; disinfected hides, 250.

Respectfully,

E. ALEXANDER,
Sanitary Inspector, U. S. M. H. S.

Inspection of immigrants from Mexico.

LAREDO, TEX., *December 3, 1899.*—For week ended November 18, 1899, I inspected and allowed entry via Mexican National Railroad 30 immigrants from Mexico.

For week ended November 25, 1899, I inspected 9 immigrants from Mexico. All allowed entry.

For the week ended December 2, 1899, I inspected 13 immigrants from Mexico, 4 of which were vaccinated by me.

I have the honor to report that I inspect all passenger trains from Mexico daily, not only to see that no person enters having a quarantinable disease, but also with special care to vaccinate or revaccinate all immigrants from Mexico.

Respectfully,

H. J. HAMILTON,
Acting Assistant Surgeon, U. S. M. H. S.
